

Remote Deposit is like having a bank teller at your business!

Powerful but simple technology adds up to big savings.

Interested in cost and time savings? Daily trips to the bank can cut into your time and profits. Now you can centralize your check processing in one place, even with multiple locations - local or out of the area. Eliminate filling out deposit slips. No more driving to the bank to make a deposit. Scan money orders, consumer checks, cashier's checks and commercial checks electronically with a secure, efficient check processing system.

Remote Deposit Capture is a one-stop solution that includes electronic payment processing, online reporting and risk management services.

- Receive funds faster & reduce processing costs
- Make later, daily deposit deadlines
- Find out about returned items quicker
- Consolidate deposits from multiple locations
- Avoid installation and maintenance of software
- Enjoy speed, savings, convenience and security

It's a simple & fast, Web-based, four-step process:

1. Visit our secure Remote Deposit Capture website and login.
2. Insert your check into the scanner.
3. Enter the amount of the check.
4. "Submit."

It's that simple!

Each month your business is billed for transactions and a monthly access fee.

Bring the bank to you! All you need to get started is a check scanner and an Internet connection.
